Legend

i wish we could always have peace.

i wish i knew more about God.

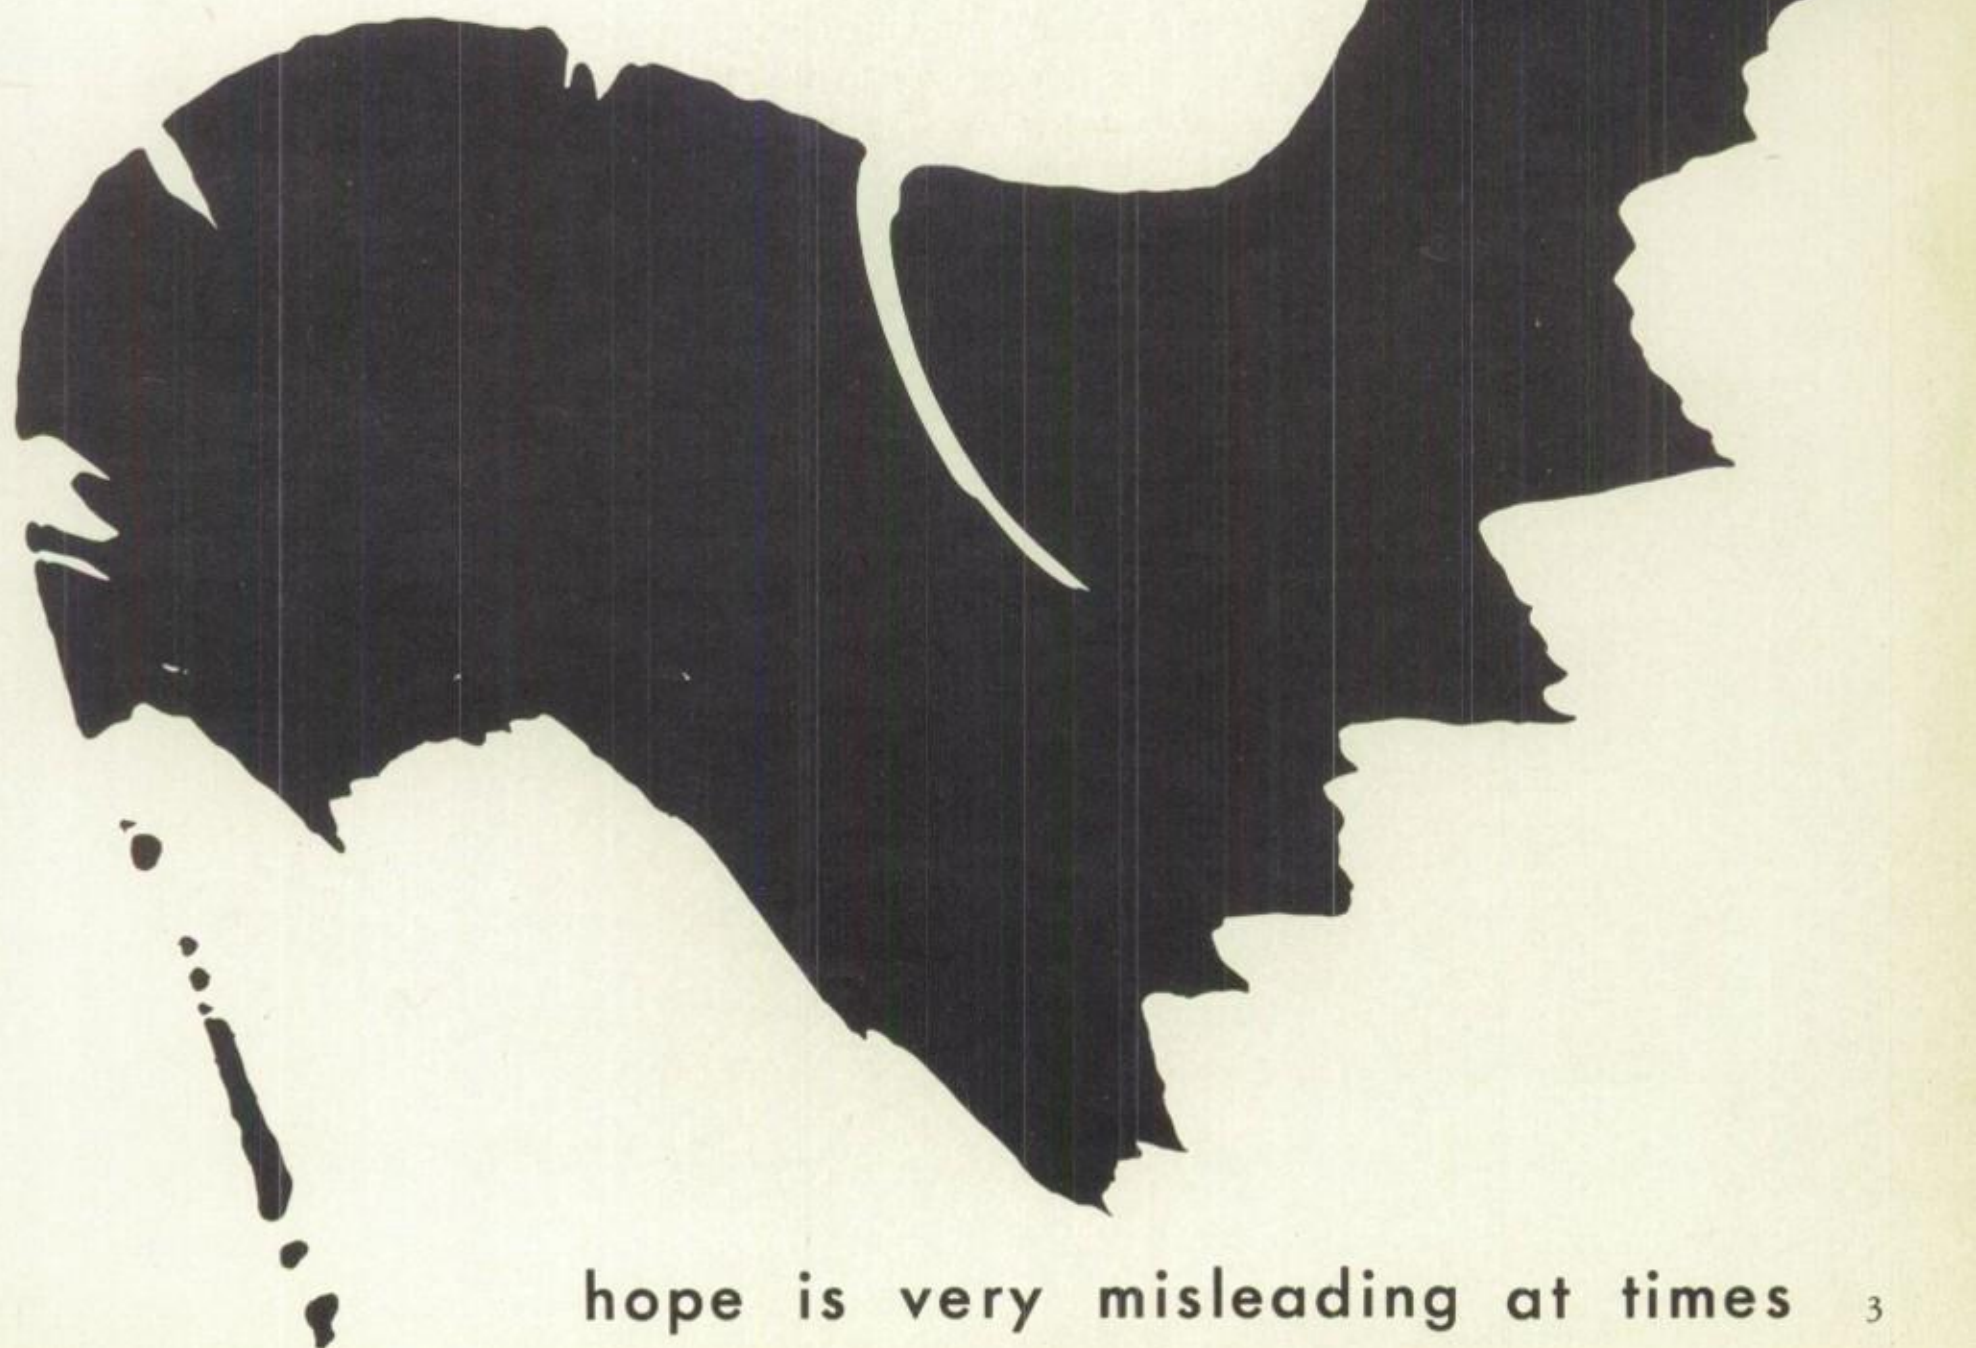

Dedication

sometimes people and events
confuse me.

Sometimes a teacher is found who is more than a dispenser of book-learning; who is sincerely interested in more than the formal education of a pupil's growth to maturity; who, through his understanding and sympathetic attitude toward a student and through his genuinely democratic relationship to him, can help him solve many of his problems. Such a friend is Mr. Arthur Tamrowski, our art teacher. As art adviser of our yearbook he has helped develop the unique theme of "moods and emotions." As one of our senior advisers he has aided greatly in our activities for our Washington trip. In his most important position, teaching art, he is superior. It is with great pride that the "Legend" staff, dedicates this volume to our teacher, adviser, and friend, "Mr. T."

administration

hope is very misleading at times

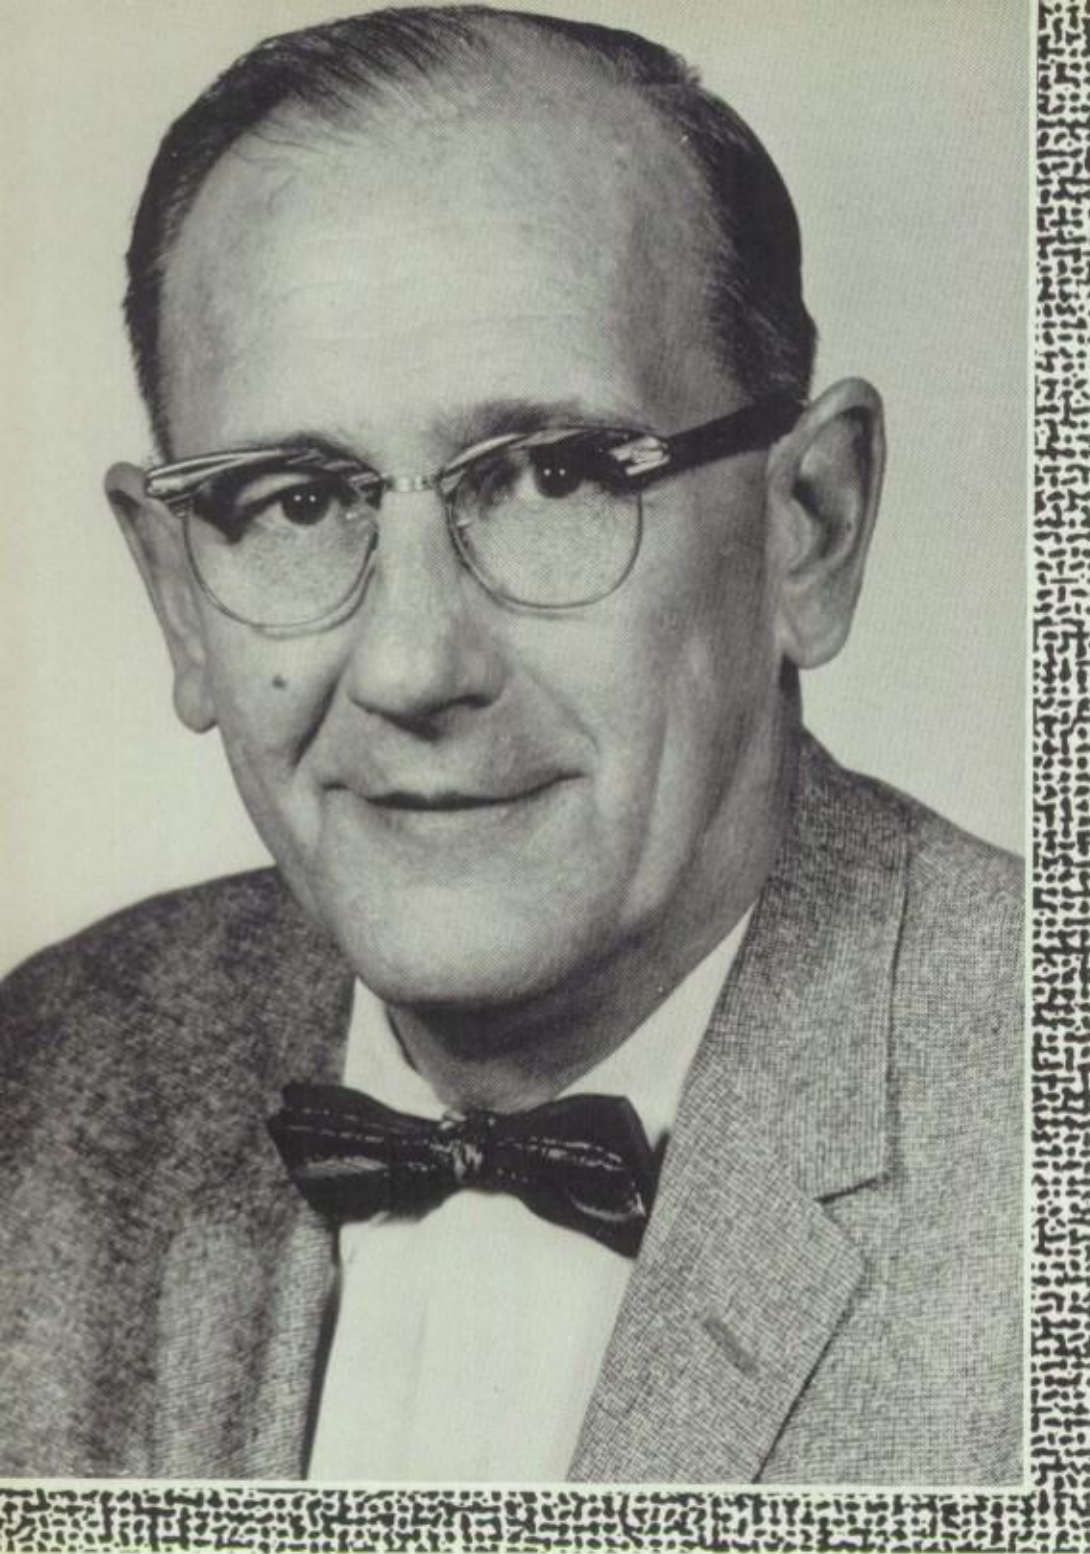

Administration

We wish to thank the members of the administration for the many services and the devotion of their time and effort that they have given to our school.

Through their generous spirit and efficient cooperation we have enjoyed many benefits during our years at Letchworth Central School.

Senior Chorus

The Letchworth Central Senior Chorus has adopted a new system of membership in which it is necessary to try out before being chosen as a member. There are fifty-three members in the chorus this year.

The annual chorus-in-the-round was held in our gymnasium this fall with five choruses from this county participating.

On February second, fourteen members of our chorus tried out for county chorus and we are expecting to see several of these people at the county chorus concert in the spring.

For the years 1962-63 the Letchworth Concert Band is following a new program. There are now two concert bands; a Senior Band, consisting of nine to twelve players, and a Junior Band, made up of the new seventh and eighth grade players. The Senior Band, containing sixty-seven instruments, plays for most of this year's concerts, while the newer players will prepare to move into the more advanced band in a year or two.

Our dance band, the "LCS Cadenzas" perform several times each year for banquets and programs, as well as Letchworth's annual "Green Door". Most other band members, although not in Dance Band, put forth much effort in in making the music department's annual program a success.

Letchworth's chapter of the Honor Society is composed of 23 juniors and 20 seniors who have met high standards in character, service, leadership, and scholarship.

On December 4, all qualified juniors and seniors were inducted into membership at the annual ceremony.

GAINESVILLE—The end is nigh, but the magazine drive conducted by the seniors at Letchworth Central School will not soon be forgotten by those who participated. The goal for the drive was set at \$4,000, but the seniors exceeded this by \$400, thus setting a new record at Letchworth.

The class divided into two teams headed by Barbara Brown and Hayden Humphrey. When the tallies were in, it was Barbara's team by a slight margin over Hayden's. The class collected \$1,700 for the Washington trip over Easter vacation.

The seniors held their first fish fry on Oct. 5. Greg VanSlyke was general chairman, with Mary Louise Colombo, Linda Merle, Patricia Brogan, Dan McBride, Hayden Humphrey, Chyra Degenfelder and Bob Roberts acting as committee chairmen.

Editor's notes...

When the Yearbook staff met in the Spring of 1962, we were faced with the problem of choosing a theme which would find expression in nearly all activities connected with the life of our school. A theme of "Mood and Emotions" was our answer, but we immediately encountered another problem; how can we make this theme evident to the reader? With the aid of the art staff we decided to use abstract form to simulate various moods and emotions common to students throughout their high school years. To carry the theme even further, we designed our own cover.

The Legend staff wishes to express their appreciation to: photographer, Mr. Little; Art Advisor, Mr. Tamarowski; Legend advisor, Miss Rupp; and all others who helped "build" our Legend.
